	1 The aim of this report is to outline the tasks and

	improvements.		
	The current responsibilities at the hotel involve consulting quests, making reservations, checking-in		
	and checking-out procedures, and the entire service maintenance in order to provide comfortable and pleasant staying in the hotel. Co-operation with the		
	rest of the staff as well as operating the online service are also under the obligation.		
	At present, the hotel service suffers from a number		
	of problems. Firstly, computer facilities are antiquated and therefore any online operations are slow. This causes not only the delay of following up		
	with prospective customers but also low-quality guest service. Secondly, boiler system instead of permanent hot water supply makes it difficult for		
	people to wash, especially for those with little children. Finally, dim lighting is uncomfortable for reading and may have a damage influence on		
	eyesight. 4.

	increase the future demands.  Choose the correct matching of the paragraphs and
